 jawahira-portfolio.vercel.app

Motivated and enthusiastic fresher seeking an opportunity to begin my career in the IT industry. Eager to explore new technologies, gain hands-on experience, and contribute to innovative projects while continuously enhancing my technical and professional skills. A quick learner with strong problem-solving abilities and a passion for delivering quality solutions.

Education

Master Of Computer Application , A.V.C College Of Engineering cgpa:8.5	08/2025 – 05/2027 Mayiladuthurai
Bachelor Of Computer Application Vivekananda College OF Arts And Science cgpa:8.7	08/2022 – 04/2025 Mayiladuthurai
Grade 12 , Best.Matric.Hr.Sec.School percentage:96.5	06/2021 – 04/2022 Sirkali

Experience

MERN Stack Developer Intern Completed a MERN Stack Development internship, where I developed responsive web applications using MongoDB, Express.js, React, and Node.js. Built reusable components, integrated REST APIs, managed databases, and enhanced application functionality while strengthening my problem-solving and full-stack development skills.	05/2026 – 06/2026
--	-------------------

Projects

1. Library Management System

Developed a full-stack Library Management System to efficiently manage books, students, and issue/return records. Implemented secure authentication, CRUD operations, search functionality, and a responsive dashboard to streamline library operations and improve user experience.

Tools & Technologies: React.js, Node.js, Express.js, MongoDB, JavaScript, HTML, CSS

2. Attendance Tracker Pro

Built a responsive attendance management application that allows users to record, track, and monitor attendance efficiently. Designed an intuitive interface with automated attendance calculations to simplify attendance management.

Tools & Technologies:React.js, JavaScript, HTML, CSS

3. Personal Portfolio Website

Designed and developed a modern, responsive portfolio website to showcase my skills, projects, certifications, and professional profile. Implemented smooth navigation, engaging animations, and a clean UI to provide an interactive user experience.

Tools & Technologies: React.js, JavaScript, HTML, CSS, React Icons
